**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic for the fiber optic service they provide for their affordability, their tech support and service, and their reliability. Prior to Sonic broadband service coming to my neighborhood I had other providers in the past, none of which came up to par with Sonic in any of these areas.
